Coaches Meeting

Thursday, February 25th @ 6:05PM (5 minutes after practice day warm ups are complete)

Team Areas, Spectators & COVID 19 Updates

We recommend and encourage teams to bring your own pop up tent if you would like a team area that is protected from the sun and/or rain.

It is our plan to allow spectators on pool deck when their child(ren) is/are competing. Spectators will not be allowed on deck during warm ups but rather only for competition. We will have designated areas where spectators can view the competition and they must practice social distancing while inside the facility. Feel free to bring an umbrella if you'd like to have your own personal protection from the sun and/or rain.

We will follow the most up to date COVID 19 restrictions set out by the City and County at the time of the event. Please be aware that we have no control over these orders and any restrictions that may come between now and the event.

Food

We are unsure at this time if we will have concessions available during the meet. We will have the Chick-Fil-A food truck out at the pool on Friday and Saturday though for the late morning/early afternoon hours to provide fresh food for purchase.

You are welcome to bring a cooler on deck for drinks and snacks.

Host Hotel

Technically, our cutoff date for booking a room at our negotiated price ends on February 10th, but the hotel said they could honor the rate after that date, while room supplies last. To take advantage of this, you need to contact Catherine Franciosa directly in the group sales department. To contact her, call 954-724-7115 and get to the sales department and mention the "Coral Springs Winter Invite"
